Cleveland has one of the few "Garden Cemeteries", also known as Lakeview Cemetery. It has been described by many as an "outdoor museum and arboretum", being the final resting place of President James A. Garfield, Eliot Ness, Dr. Crile and many of the early settlers of this region. A Local Guide will board our bus for the cemetery tour.

In addition to the President Garfield Memorial, it is home to what is proclaimed to be the "greatest architectural treasure" of this 285-acre cemetery, the Jeptha Wade Memorial Chapel. While the outside is not overly fancy, the inside is beautiful, having been designed by Louis Comfort Tiffany.

\$172 per person
